First Floor Changes:

1. 20'x21' rear family room addition with vaulted ceiling and a fireplace.
2. New kitchen replaces the existing kitchen and is open to the family room with an eat in area.
3. Existing bathroom is redesigned, allowing for additional storage and laundry.
4. New deck (or patio) in rear.
5. Dining room moves to same side as living room.
6. Front right room has additional enlarged windows to maximize natural light from East/South, storage cabinets and french doors to new kitchen.
7. Front entrance is enhanced with covered porch and new steps. Arbor is added to garage door.
8. No changes to living room.
